

DONALD DUSENBURY

Associate

Donald Dusenbury is a human resource development consultant with 35 years experience in a variety of consulting, line and staff capacities. He is founder and CEO of Organization Assessment and Development, Inc. Before becoming a consultant, Don spent 10 years as a manager in the corporate world and six years as an officer in the U.S. Army. Working with employees in many different settings, Don developed a passion for creating a more productive and satisfying work place. To that end, he has used his experience as Director of the AT&T Management Assessment Center to expand his expertise in organization and individual needs assessments. Don has also worked extensively in the areas of team building, employee involvement programs, management assessment, coaching, and implementation of major organizational change. He has guided Fortune 100 companies with mentoring programs, employee development, and employee acceptance of comprehensive change initiatives. Federal government clients include BLS, DOL, DOD, EPA, FEMA, GAO, HUD, DOI, DOJ, NASA, NLRB, NRC, NSA, OPM, SBA, TVA, USDA, and USGS. His results-oriented, collaborative approaches to consulting assignments and facilitation have yielded a loyal client base generating decades of repeat business. Don has been an associate of LEAD Alliance for over 15 years.
