

LEAD Alliance Core Ideology

Core Purpose: contribute to our clients' success by facilitating processes that address issues, solve problems and achieve results

Core Values:

1. Exceed client expectations
2. Maintain flexibility, responsiveness and integrity
3. Develop long-term alliances
4. Honor client confidentiality
5. Commit to making a difference

Vision: to be recognized as a premiere organization development and facilitation company

We believe:

- In the mission of our clients and client organization
- In fair and honest dealings with clients, associates and colleagues
- In teamwork with individual responsibility and mutual accountability
- In our own imperfection; therefore, we must continue to improve and learn
