

JOE WILLMORE

Associate

Joe Willmore has over 26 years of experience in consulting, process facilitation, training, and organization development. He is the president of Willmore Consulting Group. He has worked with a wide range of public sector and private sector organizations within the United States as well as internationally. Using a performance improvement methodology he has analyzed performance deficiencies in organizations and designed solutions to drastically increase individual and organizational performance. Mr. Willmore has facilitated sessions on strategic planning, public policy, team building and cost reduction for many organizations. He has designed, developed and conducted training programs on over 20 subjects. He has extensive experience in designing and conducting face-to-face training as well as synchronous and asynchronous distance learning. He has served as a member of the Board of Directors of ASTD and has been a conference speaker at over 10 conferences. He has also published numerous professional articles and written three books. Joe has worked on a variety of consulting and facilitation projects with LEAD Alliance staff and associates since 1995.
